

# 3DXplorer®: Immersive, Interactive, Plug-in-Less 3D

**Web Designers, Web Developers And Content Providers: Partner With Us And Stand Out From The Crowd By Being One Of The First To Offer Immersive Web-Native 3D Solutions**

3DXplorer is the first immersive and interactive 3D Online platform that can be developed and accessed without downloads or plug-ins. Use 3DXplorer to differentiate yourself, develop new Online applications and reach a wider audience. Partner with us to develop engaging 3D Online solutions that were never before possible—do so and create more business for yourself.

- There are no software development associated costs as 3DXplorer offers a free authoring studio, player and avatar configurator. 3DXplorer is user-friendly—for designers, developers, providers and site visitors.

## WEB DESIGNERS: Stand Apart From The Competition

Be one of the first Web Designers to step ahead of the rest and offer customers something the competition can't: 3D Web without plug-ins or downloads. Interactive virtual environments are undoubtedly the future of the Internet. Web design was once limited to HTML but now offers many rich media options. 3DXplorer is the next natural evolution

### Offer Your Clients Richer Solutions:

- 3D Website Lobbies w/Live Site Greeters
- 3D Retail Shops w/Live Sales Reps
- Replicate & Display Any Product In 3D
- Replicate Client Headquarters Or Any Locale
- Design & Brand 3D Conference Rooms
- Offer A Personalized 3D Web Solution That Provides Visitors With The Most Meaningful & Compelling Online Experience Available

## WEB DEVELOPERS: Create New Compelling Online Applications

As a Web Developer, you can now leverage interactive Online 3D while remaining within a familiar Web-native development environment. Use Javascript, PHP and HTML to develop innovative Web applications that engage and produce results. Use 3DXplorer and scripting languages you already know to offer customers more than what your competition can.

### Develop Innovative 3D Applications:

- 3D Social Networking Applications
- Online Casual & Promotional Games
- Interactive 3D Product Viewers
- Promotional Ad Campaign Solutions In 3D
- Online Shopping Configurators (for example, envision a shopper being able to build a dream kitchen in 3D, and to interact with a sales representative while doing so)

## 3D CONTENT PROVIDERS: Widen Your Audience And Market Reach

You are a Content Provider, therefore already know the value of Online 3D and have an established clientele. Now, broaden your market and offer more to your clients: 3D that is easily accessible to everyone on the Internet without plug-ins or downloads. Develop new content or easily convert existing content.

### Deliver Your 3D Content To All:

- Make Your Content More Accessible With Our Plug-in-Less Browser Based Technology
- Present Your 3D Concepts & Content In 3D To Clients Without Software Installations
- Present Architectural Creations In Immersive 3D Instead Of Using 2D Screen Captures
- Offer Virtual World Clients An Alternative Online Medium (True Mass-Market Reach)

:: Free to develop, quick to learn and user-friendly :: Take the time to demo this unique technology ::
